A letter from Papua New Guinea's Prime Minister

I am delighted to accept the invitation from the Port Moresby Chamber of Commerce and Industry and Business Advantage International to address the opening of the 3rd Papua New Guinea Advantage international investment summit on the morning of 9 September 2013 at the Gateway Hotel, Port Moresby.

Your summit serves a vital role in attracting international investors to Papua New Guinea and providing them with a platform to meet with PNG's business community. I look forward to a stimulating and productive two days.

My Government sees the growth of a healthy and diverse private sector as central to our country's national development. We have a committed agenda of enacting policies that encourage appropriate private sector involvement in all sectors of the economy, and also of encouraging indigenous business.

I invite all business people with an interest in Papua New Guinea's sustainable development to attend the event, and also request government agencies extend such assistance as may be required to facilitate a successful Summit.

The Hon. Peter O'Neill MP CMG
Prime Minister of Papua New Guinea

A tiger economy in the Pacific

Papua New Guinea is one of the world's fastest growing economies, its GDP doubling over the past five years on the back of major investment not only in mining and gas, but also services, agribusiness, fisheries and infrastructure.

Over the next few years, however, it will require significant international investment and expertise in areas such as infrastructure, health, education and business services if it is to maintain this growth and deliver development benefits to its youthful and growing population.

The Papua New Guinea Advantage 2013 conference is dedicated entirely to the promotion of business and investment in PNG. Over two days, it will:

1. Showcase specific areas of opportunity where international and domestic businesses could contribute to the development of PNG.
2. Provide a forum in which they can meet prospective local and international partners (local entrepreneurs, super funds, banks, fund managers, landowner companies, multilateral/donor agencies, facilitators and service providers).

Content/speakers

A coherent program will combine leading PNG-based presenters (from both business and government) with selected international speakers to present PNG in an international context. Panel sessions will be included to ensure the content has maximum relevance.

The event will focus upon likely areas of major opportunity in PNG over the next decade, with an emphasis on regional opportunities and sectors beyond mining and gas:

- Infrastructure
- Flow-on opportunities from major investment in natural resources
- Telecommunications & IT services
- Business services
- Food and manufacturing
- Agribusiness, fisheries and related downstream processing
- Renewable energy
- Focus on PNG's provinces

Registration entitlements

Registration includes:

- Conference satchel/program
- Attendance at all sessions—per day
- Morning tea/lunch/cocktail reception—per day

The Venue

The Gateway Hotel is PNG's largest conference venue. It is conveniently located a short distance from Jackson's International Airport, around 20 minutes drive from the main commercial area of Port Moresby ('Town') and 10 minutes from the diplomatic zone of Waigani.

Conference dinner

The Official Delegates' Dinner on 9 September will be held at the nearby Airways Hotel. Transport between the Gateway and Airways for the dinner will be provided. Please note places for the dinner are limited, so early bookings are recommended.

Accommodation

There are two official accommodation options: at the venue itself (Gateway Hotel) or the nearby Airways Hotel. Conference rates and availability cannot be guaranteed after 9 August.

An on-demand shuttle bus will be available for the duration of the two days to transfer delegates between the two hotels (a distance of just a few hundred metres). Both hotels offer complimentary airport transfers.
