

EMDG & ADB/AusAid Information Seminars

Are you interested in learning more about Export Market Development Grants (EMDG) and working with the Asian Development Bank (ADB) and AusAID?

The **EMDG scheme** is a key Australian Government financial assistance program for aspiring and current exporters. The scheme supports a wide range of industry sectors and products, including inbound tourism and the export of intellectual property and know-how outside Australia.

Sebby Zappulla, from Export Grant Professionals, is a recognised EMDG consultant within the Code of Practice Administration Committee (COPAC). All COPAC consultants have met core continuing professional development requirements and have access to the latest EMDG guidelines.

Sebby will deliver a presentation to help guide interested applicants through the application process and be available to offer his expertise.

Graham Poon will provide an informative insight on the operations and opportunities available within the Asian Development Bank (ADB) and AusAID.

The seminar will provide an opportunity for businesses to hear about partnering options with AusAID and schemes to strengthen international development linkages and business partnerships.

The Seminars will be held in Cairns and Townsville as follows:

Cairns - Breakfast Seminar (catering provided)

Date: Tuesday, 6 September 2011

Time: 7.30am - 9.30am

Venue: The Boland Centre, Spence Street, Cairns

The Townsville Seminar will be held in conjunction with the Townsville Chamber of Commerce

Townsville - (catering provided)

Date: Wednesday, 7 September 2011

Time: 5.30pm - 7.30pm

Venue: Seagulls Conference Room, 74 The Esplanade, Townsville

If you would like to attend, please RSVP to [Jodie Dollery](#) by **COB Friday, 2 September 2011**.
